Wedding Planning TIPS

Tip #1

Don't spend money on details that no one will remember.

Think about the last three weddings that you attended & write down what you remember from those. Now, think about the three things you want your guests to remember about your wedding. Make sure when you're planning to put your money towards those three items. So many couples stress about all the little details of the wedding that they forget it's a party at the end of the day!

Tip #2

Don't invite everyone that you know to the wedding.

When creating your guestlist, break it down into three lists:

(A) Must-Haves: Immediate Family & Closest Friends

(B) Would Love to Have: Close Extended Family & Friends

(C) Nice to Have: Distant Relatives, Acquaintances, or Coworkers you've spoken to in the last year.

Tip #3

Never Assume.

Never assume of anyone (hired professional, friends, or family) that something will get done without asking them and, making sure you have a confirmation.

Examples:

- The desserts will be delivered by the baker.
- The DJ provides their own table and linen.
- It won't rain on your wedding day.
- Your venue is okay with you using tacks to hang decor.

Banquet POLICIES

Minimum Requirements

Based upon the contracted event, a food & beverage minimum will be required. Should the food & beverage minimum not be achieved, the difference will be applied as a room rental charge.

Deposits & Billing

All deposits are non-refundable. The initial deposit of \$1,000 will be taken at the time of signing the agreed contract. Halfway to the event date, 50% of the balance will be taken. The balance is due in full (14) fourteen days prior to the event date. Any additional charges will be collected at the conclusion of the event.

Certificate of Insurance

A COI is required from each vendor that will be on the clubhouse's premises during the event. The COI's are due at least (14) fourteen business days prior to the event.

Guarantees

Final guarantee for all food & beverage services must be confirmed no later than (14) fourteen business days prior to the event. Once received by the Director of Banquets, the number provided will be considered a guarantee and not subject to reduction. If you have additional guests after the confirmation, you will be charged at the conclusion of the event. If you are choosing a Plated Dinner, the predetermined entree selections will be due at the same time as the confirmed guarantee headcount.

NOVEMBER 2025 ★★★★★

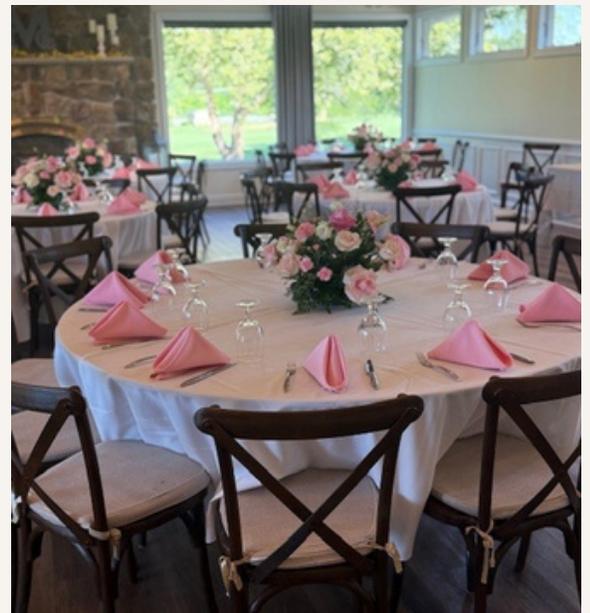

Merchantville Country Club was the perfect choice for our wedding venue. From the moment we first reached out, their communication was responsive, helpful, and quick. The venue itself was the perfect size for our event, and they set everything up beautifully, allowing us to have everything in one place. On the day of our wedding, Alyssa was present to ensure everything went smoothly. The food was great, the bartender was amazing, and all of our guests raved about how beautiful the venue was and how much fun they had. We couldn't have asked for a better experience, and we highly recommend Merchantville Country Club to any couple planning their wedding.

AUGUST 2025 ★★★★★

We had a terrific experience having my son and daughter in law's baby shower at Merchantville! Alyssa was amazing to work with- very communicative and full of great ideas. We had a Sunday brunch, and the food was delicious and plentiful! The Chef was also very helpful with certain dietary needs. The staff was super nice and did a great job. It was a beautiful room to host a party! Plenty of space and the views were wonderful. We were also permitted to use the out door patio, which was a nice plus. Highly recommend!
